

TNRB Recipe Social Media Web App

Welcome to our recipe social media web app! This app allows users to share and discover new recipes with each other.

Features

- Create a profile and follow other users to see their recipes in your feed
- Post your own recipes with photos and instructions
- Save your favorite recipes to your personal recipe collection

Getting Started

To use the recipe social media web app, you will need to create an account. Simply click the "Sign Up" button on the homepage and enter your email address and desired password. Once you have created an account, you can begin posting and exploring recipes.

Posting a Recipe

To post a recipe, click the "Create Post" button on the top. You will be prompted to enter a title, ingredients, and instructions for your recipe. You can also add a photo to make your recipe stand out. When you are finished, click the "Post" button to share your recipe with the community.

Saved Recipes

To save a recipe to your personal collection, click the "Steal It" button on the recipe page.

We hope you enjoy using our recipe social media web app! Happy cooking!
